Policy taken for Twitter Review: Migration and Asylum Pact:

 **European Commission** ✓  
@EU\_Commission

This week, an agreement was reached on the Pact on Migration and Asylum to manage migration in a fair and orderly way.

It is a crucial step that balances solidarity and responsibility between EU countries, and a win for so many migrants that have been suffering

Droctulft, the barbarian, conquers more than a city. He conquers a culture, a place, and a new definition of himself.

Literature is a window into the past: migration in antiquity.

Solon gave Athenians their law and created the first political society in Europe.  
He was the first to give the connection between voyaging (planē) and wisdom (sophia)
